

Lukaš Kuzminski

TRANSLATOR, VOICEOVER ARTIST, VR EXPERT, TOURISM
MANAGER

Lukaš Kuzminski is a diligent and determined individual with a broad knowledge of tourism and a keen interest in history. He has set his sights on pursuing a tour guide qualification and is passionate about providing enriching experiences for travelers. Lukaš is also fascinated by business processes, startups, and VR technologies, showcasing his curiosity and eagerness to explore innovative fields.

Lukaš actively seeks opportunities to engage in international projects, showcasing his desire to contribute on a global scale. Furthermore, he contributed to an international Erasmus+ K2 project focused on discussions surrounding bullying, cyberbullying, and hate speech. Lukaš played an integral role in preparing presentations and toolkits related to VR technology, introducing them internationally.

In his professional experience, Lukaš worked as a translator and voiceover artist for UAB "Chickimap." He collaborated with the company on various translation projects, demonstrating his linguistic skills in Lithuanian, Russian, Polish, and English. Currently, Lukaš is pursuing a Master's degree in Business Process Management at Vilnius University, further expanding his knowledge in this field. His educational background in Tourism Management from Vilnius University of Applied Sciences provides a solid foundation for his expertise in the tourism industry combining business, tourism and virtual reality.
